Redesigning Professional Service Marketing for 2020

Professional Service Marketer Executive Gathering 2017

"What will define modern marketing functions in 2020 and what investments are they making now to ensure their success?"

Drawing on our research over 300 organizations in professional service industry, we will share the leading service company how they formulate demand generation programs, and structure new roles, leverage technology and develop sustainable edge to effectively support rapidly evolving business dynamics"!

Perhaps the greatest value of social media marketing is your ability to foster and engage with a community of other people. That engagement is at the heart of social media, and without it, you're left with a megaphone and no one to hear you.

- New Professional Service Marketing Roadmap
- B2B Social Media Marketing Efforts
- Event 2020 through Demand Center Establishment
- Business Video Marketing (BVM) The Future Engagement
- Content as Strategy: Join Buyers Journey
- O2O success in Professional Service Marketing

Join us for the intimate gathering with your peers from other leading organizations. The event is designed to be an innovative platform to share industry experience and best practice.
